Dear Debbie,

On behalf of Parks and Recreation Ontario (PRO), it is my pleasure to congratulate you and your department staff upon the successful renewal of your "Accredited Organization" status with HIGH FIVE®.

We recognize that your organization has put substantial effort toward maintaining the highest standard of quality in its programs for children aged 6 to 12. We are also impressed with the innovations and growth the Boys and Girls Club of Kawartha Lakes has displayed since its last verification. It exhibits a culture of quality that exists at all levels within your service delivery system.

Parks and Recreation Ontario values the leadership role you are playing in providing quality programs for children that ensure they have positive experiences when participating in recreation and sport.

Please accept my sincerest thanks for your commitment to healthy child development and for your involvement in positively impacting the lives of many children in your community. Your actions will inspire others to follow.

Most sincerely,

Jennifer Reynolds
President
Parks and Recreation Ontario
